

# News BULLETIN

## DHSK College, Dibrugarh, Assam Annual Bulletin, Vol. V, DHSK College, 2021

### MESSAGE FROM THE PRINCIPAL

The publication of the News Bulletin itself is an announcement that to an extent we are back to normalcy after covid-19 pandemic. I am really happy to congratulate all the employees for their relentless effort during the pandemic, for keeping the institutional activities going in high spirit. I am proud of you all. This is the best example of true ethics of education, the value based education we prioritise in the present scenario.

Much of what is today known as value based education had been an essential feature of the educational system essentially took into context all aspects of an individual's personality and his role as a responsible member of society. It was essentially an educational system that laid stress on all round development of a student through fostering of individual and social values along side his intellectual development.

The replacement of our traditional educational system by the modern western

### MESSAGE FROM THE PRESIDENT, GOVERNING BODY

It is my great pleasure and satisfaction to know that DHSK has come up with the Fifth Volume of the college bulletin "DHSK News Bulletin".

The college bulletin always provides a platform for the teaching and non-teaching staff and students to showcase their talents and achievements. It is an eloquent expression of the progress and outstanding achievements that a college has to its credits. It is a manual that highlights the quality of education and extra-curricular activities that a college undertakes to develop all round personality of the students. Hence, I strongly believe that the bulletin serves as a window through which the complete profile of the academic and co-curricular activities, achievements and progress made during the stipulated period can be viewed.

We, at DHSK College are committed to create an ambience for nurturing innovation, creating and excellence in our students. We aim to prepare our young Kanoians and manage to confidently and competently face the challenges of intensifying competition by imparting high quality of education. I heartily congratulate to the editorial team who has taken pain to bring out this bulletin adding a glorifying and colorful petal to a wonderful flower and at the same time I convey my good wishes for the success and bright future of the bulletin.

*Abhimanyu Baruah*  
President G.B, DHSK College

### EDITORIAL

After the complete Lockdown of 2020, the year 2021 brought in some idea of hope amidst the prevailing uncertainty. The effort to live in the midst of death reminds me a verse line from T.S.Eliot's canonical poem "The Waste Land" where in the context of Death he wrote: "At morning striding behind you/Or at evening rising to meet you". But life continues and we linger with the little bit of hope we are left with- "to breed Liliac out of the dead land".

It is a proud privilege to take the responsibility of the News Bulletin after a gap of two years. However, the News Bulletin of DHSK College is published every year, but due to the pandemic we couldn't complete this task for the year 2019 and 2020.

It is a pleasure to note that the ongoing threat, couldn't effect the dedication of the teachers at all : Online classes, examinations, assignments, evaluations, nothing seem to differ in Virtual Mode. Apart from the routine, a cursory glance at the archive of 2021 itself, has been an enriching experience. The volume of activities, virtual as well as physical are most remarkable. The faculty participation in endless Webinars, Faculty

### IN THIS VOLUME

• Laurels	3
• Departmental Activities	3-5
• Academic Pursuits	6-8
• Students' Achievements	9-10
• Campus Events	10-12
• New Faculty	13
• Students Progression	13
• Post Graduation	14
• Infrastructures & MOU	15
• Obituary	15
• International Activities	17-18
• Faculty Members	18-20

From p.1

mode of education with its emphasis on individual achievement and competitiveness has over the years led to a gradual eclipse of our traditional system with its emphasis on fostering both individual and social values.

However, a paradigm shift has been made in recent years, culminating in the National Education Policy 2020 that put on tracks value based education as an ineluctable part of the nation's Education Policy.

Education for values is a continuous process. Values are not static. Fostering values amongst students is a gradual and subtle process which requires time and patience and the right attitude. The influence of value education activities or efforts needs time to get reflected in the institutional ethos, attitude and values of the teachers, students and other stake holders. This calls for planning, analysis and evaluation at many levels. Proper planning and design of course curriculum are required to be done in a collaborative mode that takes into consideration a multidisciplinary holistic approach prioritizing both individual and societal values.

In today's digital revolution where students traversing the information highway tend to be assailed by an excess of information and data, it is the responsibility of both teachers and guardians to ensure that only relevant information gets processed into right knowledge and right values. More than any other time in history, it is in these present uncertain times that all stakeholders need to ensure that the wants and aspirations of individuals do not go out of bounds with those of society. Therefore education for values is a sine qua non for a healthy society.

(Dr. S.K. Saikia)

Principal, DHSK College, Dibrugarh

### KARMASURYA AWARDEE 2020

Dr. Sashi Kanta Saikia

#### Publications in the year- 2021

4. 'Seuz Ratna Award 'Dibrugarh by Mr. Manjit Patel, National Media Secretary, NMOPS on 27.02.2021

## FROM THE IQAC Desk

The DHSK Unit of IQAC has been working hard since the time of inception, focusing on the all round development of the Institution to ensure excellence in every sphere. As the Coordinator of the Cell, I am playing my role to enhance quality of the institution in terms of development of the students and teachers in particular, through different mechanisms. The Cell is an integral part of almost all the major committees where academic, administrative and student centric policies involved. Preparing Annual Reports (such as Annual Quality Assurance Reports, NIRF Reports, Annual Report of the College) All India Survey of Higher Education reports etc are some activities regularly practiced by IQAC. Apart from that, Academic and Administrative Audit was conducted in the year 2021. Post Graduate courses were introduced in the Department of Mathematics and Anthropology in the year 2021. The Cell also took initiative in preparing the Annual Budget with the joint effort of the college authority. The Faculty members and the students were encouraged to observe Green Dewali and it has been in practice since the last five years, which is an outcome of the Green Audit Mechanism of the college. Like the last five years, Vehicle Survey, Air Testing, Water Testing, Soil Testing, Energy Consumption Survey were conducted in the year 2021, on time. A Solar Energy Plant was installed for low power consumption. The Green Report has been prepared.

My sincere thanks to the entire editorial team of the College Bulletin 2021, for their dedication. It is a moment of pride and contentment for us that Bulletin is finally ready after the gap of two years, due to the pandemic. I extend my best wishes to all of you.

Dr. Mridul Sarmah

Coordinator  
IQAC, DHSK College, Dibrugarh

## OUR HEARTY CONGRATULATIONS TO

### Dr. Priya Dev Goswami

Associate Professor, Department of Mathematics, on his new role as Vice Principal of this prestigious institution on 3rd May, 2021.

### Dr. Mridul Sarma

Associate Professor, Department of Assamese for being awarded the **KOTHA BAIBHAV AWARD, 2021** by Natun Sur Prakashan Parishad, North Lakhimpur.

### Mrs. Sultana Hazarika

Associate Professor and HOD, Dept. of Zoology, DHSK College for being awarded Doctor of Philosophy on 15th of September, 2021, by Down Town University, Guwahati, for her thesis entitled "A Study on the Limonological Changes in wetlands of Dibrugarh District and Its Impact on Some Selected Fauna".

### Mr. Amitav Doley

Assistant Professor, Department of Mathematics, DHSK College for being awarded Doctor of Philosophy in Mathematics on 1st of October, 2021, by Dibrugarh University, for his thesis entitled "A Study on Some Topological Indices of Graphs".

## DEPARTMENTAL ACTIVITIES

### DEPARTMENT OF ASSAMESE

#### Observed

- **20th June, 2021:** Kalaguru Bishnuprasad Rabha Divas with a Lecture programme and Essay Writing competition

#### Organized

- **28th June, 2021:** Virtual Meet with Aruni Kashyap, Professor, Department Of English, University of Georgia, America, entitled 'Meet The Author'.
- **22nd December, 2021:** One Day Workshop on the topic of "Anubad : Tatta Aru Prayug". Sri Mausum Baruah, Head of the Department of English, Salt Brook Academy, acted as the Resource person.
- Introduced A Three month Computer DTP Course in Assamese

### DEPARTMENT OF ANTHROPOLOGY

#### Organized

- **20th November, 2021:** Mrs. Arpana Borah, Human Rights Activities & Secretary, Alok Abhijan Science delivered a lecture on the topic 'Gender Discrimination & Our Society'.
- **20th December, 2021:** Mr Soumyadeep Datta, Regional Convener, Northeast Region, Core Group for Tibetan Cause-India delivered a Lecture on Brahmaputra Valley Civilization and Tibetan Culture.

**Green Club, DHSK College**

Promotion of daily cleanliness drive and awareness campaigns under the guidance and leadership of Dr. Sashi Kanta Saikia is very noteworthy. He has contributed a lot in driving many notable revolutionary steps in the field of Swachhta Awareness amidst the masses.

Whenever the words telling the tales about cleanliness, swachhata, safai emerges in anywhere in India, the name of Dr. Sashi Kanta Saikia emerges. Dr. Sashi Kanta Saikia is a noteworthy name in the field of cleanliness and he has sincerely done and is continuously doing a lot in this field by spreading cleanliness awareness programmes around the state in various places.

Dr. Sashi Kanta Saikia is the renowned name for the Green Club of DHS Kanoi College and Environmental Movement which he had started after joining DHSK College in 19th June 2015 as the Principal of the College. His ultimate devotion towards the protection of nature and his aim to preserve the beauty and excellency of this prestigious college led him to initiate a revolutionary step by forming the Green Club of DHSK College and Environmental Movement.

The Green Club of DHSK College and Environmental Movement led to the initiation of various cleanliness works every morning from as early as 5 am everyday under his guidance inside the DHSK College campus.

*No Holidays! No Sundays! No Summers! No Winters! No Hot! No Cold! No Storm! No Rain!* Yes, the cleanliness works are conducted everyday and, that too he does this with his utmost dedication as a government servant. And yes, he has done it for more than 2,200 (Two Thousand Two Hundred) days till July 2021, and still continuing.

**INTRODUCTION OF POST GRADUATION IN TWO DEPARTMENTS****POST GRADUATION IN ANTHROPOLOGY**

The department of Anthropology, DHSK College was started in the year 1962. The Post Graduate Course in Anthropology was introduced in the year 2020-2021 session with the affiliation to Assam Science and Technology University (ASTU), Guwahati, Assam, a state university. The total number of seats is 20 per semester and the course is self-financing. Besides the students having Anthropology, the students who have Botany/ Zoology/ Sociology/Geography/Home Science/Bio-Technology as one of the subjects can apply for the course.

The students are facilitated with good practical amenities and trained for overall development. It is worth mentioning that M.Sc 1st Semester students of the department Ashtha Borgohain and Habinath Buragohain delivered anthropological lectures in the two eminent educational institutions of the Dibrugarh town, namely Little Flower Higher Secondary School and Saint Mary's Higher Secondary School on 17th February, 2022 on the occasion of World Anthropological Day, 2022.

Department of Anthropology

**POST GRADUATION IN MATHEMATICS**

Despite the surge of Covid 19 pandemic, the year 2021 has been an encouraging one for our College. It was significant for the whole college community and the stock-holders that DHSK College formally applied for affiliation to start Post Graduate Programme in Mathematics to Assam Science and Technology University (ASTU), Guwahati on 12.10.2020. And displaying a positive gesture towards our application, an inspection team under the chairmanship of Prof. Jogen Chandra Kalita, Gauhati University visited our college on 19.12.2020. The other members were Dr Junali Devi, Cotton College, Dr Chandra Chutia, Jorhat Institute of Science & Technology and Dr Biswa Ranjan Phukan, Academic Registrar from ASTU. Subsequently, ASTU accorded permission to start Post Graduate Course in Mathematics on 31st December 2020 with an intake capacity of 30 students. After getting permission, the Department initiated admission process. Fourteen number of students enrolled in the first batch and classes commenced from 27th January, 2021. The second batch with full capacity of thirty (30) number of students, was enrolled during October, 2021.

Department of Mathematics, P.G. 1st Batch 2020-21

## FROM THE DESK OF ACTA, DHSK UNIT

To become the Secretary of ACTA in the midst of pandemic was a challenging situation for me. Moreover the ACTA, DHSK unit tried the best by initiating a line of activities. Despite the critical situation, students and teachers participation was noteworthy. My heartfelt gratitude to all, for their kind cooperation.

The activities of ACTA, DHSK unit during 2021 are mentioned below:

- A new ACTA, DHSK unit was formed on 4th January, 2021. Dr. Alakananda Baruah and Dr. Dipankaj Gogoi were selected as the President and the Secretary respectively.
- An Inter-College Badminton Competition was organized on the 27th and 28th of November 2021.
- A Seven Days Workshop on Dance was held from 7th to 13th December 2021.
- On the Occasion of International Women's Day, a group of teachers from the College visited "Pujashree Bridhshram" (Old age Home) and distributed Clothes and Food Items among the occupants.
- Dr. Anupiyoti Bharali was elected as the Assistant Secretary of ACTA Central Committee and also as the Central Executive Member of Dibrugarh zone on the 12th of November, 2021.

Dr. Dipankoj Gogoi  
Secretary, ACTA

Development Programs, publications is worth noting. The physical activities during the interim period is also not negligible. Student's participations in various activities in both physical and virtual mode is praiseworthy. The non-teaching staff is equally active in initiating different activities apart from their official responsibilities. To our surprise the Virtual media in a way accelerated the academic excellence in every sphere of intelligentia. The literary output as well as socio-cultural contribution of the Principal Dr. Shasi Kanta Saikia is another side of the coin. The larger part of the Bulletin is covered by the voluminous list of his achievements. He left no stone unturned to encourage his crew members.  
On behalf of the Editorial Board I extend my gratitude to all the faculty members, non teaching staff and dear students for providing us all the necessary data. Our special thanks to Dr. Priya Dev Goswami, the Vice-Principal for his guidance and help throughout. Our effort has been to present a panoramic view of the Institution at a glance. With all the best wishes.

On behalf of the Editorial Board  
Dr. Trishna Duarah
