MESSAGES

GB PRESIDENT

I am delighted to bring greetings in this new issue of the college News Bulletin. First of all I want to acknowledge the great teamwork in achieving the A Grade from NAAC. As a team of the college family all of you consistently demonstrated a keen attention towards the progress of the college.

We are now in a new era of education. As a prestigious and reputed institution we have to adopt new, innovative and creative strategies and ways to guarantee a sustainable, successful future for the students.

VICE-PRINCIPAL

The year 2023 is added to the life of Dibrugarh H S Kanoi College enriching the aspiring youths of this part of the country. Our college is committed to impart good education and skill to the students, so that they may become a responsible citizen of the motherland. It is observed that DHSK college is gaining the ability to attract students from far places like Guwahati, Nalbari, Lumding, Tezpur etc of Assam, also sizeable number of students from Arunachal Pradesh and Nagaland. It is an indicator of reputation of this premier college. This year is historic to the college for several reasons. In recognition of contribution of the college to the nation building, the postal department, Government of India issued a commemorative postal envelope in the name of DHSK College in this year. It was a historic moment for the college. For persistent efforts of all stakeholders of the college, NAAC awarded A grade to us. In this year

encourages academic rigor, innovation, and character building has remained unwavering.

DHSK College, standing as a beacon of education, plays a pivotal role in shaping the intellectual landscape of society. The College has been trying to fulfil its social responsibilities as an institution of higher education, contributing to the holistic development of individuals and the advancement of the community. Through rigorous academic programs, it equips students with critical thinking skills, instilling a thirst for knowledge that extends beyond the classroom. The college serves as a hub for intellectual exploration, encouraging students to question, analyze, and contribute to the academic discourse.

One of the fundamental roles of DHSK College is to promote social mobility. By offering education that is accessible and inclusive, the college acts as a catalyst for individuals to overcome socio-economic barriers. It opens doors to opportunities, empowering students along with faculty members to improve their lives and contribute meaningfully to society, thus breaking the cycle of generational disadvantage. DHSK College contributes significantly to the advancement of knowledge and innovation. Through research initiatives and academic partnerships, the college creates an environment where students and faculty engage in cutting-edge research.

Beyond academia, the college initiated many outreach programmes, community services and collaborative projects with local organizations. This two-way interaction fosters a sense of responsibility among students and strengthens the bond between the college and the community it serves. In an increasingly interconnected world, DHSK College plays a crucial role in preparing students to become global citizens. Through diverse curricula, cultural exchange programs, and an emphasis on global perspectives, the college ensures that graduates are equipped to navigate the complexities of a globalized society.

Finally, I congratulate all the students for their outstanding achievements and encourage them to keep pushing boundaries, striving for excellence, and embracing new opportunities.

I hope you find the DHSK College Annual News Bulletin informative and inspiring. Let us continue to work together in our pursuit of knowledge, excellence, and holistic development.

Wishing you all a bright and successful future.

also two new departments came-up. Education and Psychology departments got started from this year under Dibrugarh University. Also from this year Sri Sri Auniruddhadeva Sports University (SASU) started its four year degree programme from our college premises. Although college completed 78 years of journey, it does not have an authority approved college anthem. But in the Governing Body meeting held on 25th December, 2023 the college anthem is approved and a long standing deficit is fulfilled. Government is planning to transform our country into a developed nation by implementing National Education Policy-2020 and as a follow-up of this, the four year degree programme is implemented from this academic session. All the faculty members are orienting themselves with this new system by shouldering all odds. I hope this issue of college news bulletin will contain all happenings in the college and it will be a page of history of our college. Lastly, I express my greetings to all the students, faculty members and non-teaching staff.

Dr. Priya Dev Goswami

Vice-Principal
DHSK College.

IQAC COORDINATOR

Dear Colleagues,

Warm regards!

The DHSK College is a premier higher educational institution of the country which provides quality education to its students. The internal quality assurance system is a step towards excellence. Our college has the ability to adapt to emerging changes and challenges in the field of higher education taking place around the world.

The Internal Quality Assurance Cell (IQAC) continues with its focus on quality culture of the college in terms of quality initiatives, quality sustenance and quality enhancements. IQAC has evolved the mechanism to provide equitable access to and affordability of academic programmes for various sections of society. The participation of all stakeholders- management, faculty members, administrative staff, students, parents, employers, community and alumni facilitate the development process of the institution and their educational services. It documents and reports on various

activities of the college for various higher education needs. The infrastructural resources of the College have been continuously followed up to assure adequate, suitable, and better facilities to ensure a conducive and enabling environment for teaching, learning, evaluation, and research. The IQAC team is determined to take the DHSK College on the path of success with greater heights.

The 3rd cycle of NAAC assessment was held on 2nd & 3rd February, 2023 and accredited with 'A-Grade' on 7th Feb, 23. The peer team members consist of Dr. Shyama Nand Singh (Chairperson) (Former Dean, central University of South Bihar). Dr. Sasi Kanta Dash (member co-ordinator, Register, Pondichery University and Dr. Preeti Johari (member, Principal, RCA Girls College, Mathure, UP)

With good wishes,

also serve as a chronicler of the institution in the days to come. The DHSK News Bulletin provides a centralised platform that shares important information about campus events, academic programs, research developments and many more.

Effort has been made to showcase the Institution's accomplishments, academic excellence, students progress, faculty development, and success stories. With the growing digital technology, collecting data has been less stressful. The institution is gearing up in a most planned and systematic manner after the NAAC accreditation of Grade -A, in February 2023, aiming at a higher gradation in the nearest future. The marked difference is noted in every activity that excelled in quality and standard. My sincere gratitude to each and every department, faculty, cell, employee and the Principal for providing all the necessary data on time. Thanks to my entire team for their relentless effort in completion of the task within the stipulated timeframe.

**MESSAGE FROM AACEA
DHSK COLLEGE UNIT**

The year 2023 has been equally challenging for us, like last year. The DHSK College Non-Teaching employees were working hard for the development and smooth functioning of the college. All the employees cooperated wholeheartedly and participated in all activities of the college and the works allotted. During the process of NAAC accreditation, the employees left no stone unturned in qualifying Grade - 'A' by NAAC. Some of the employees actively participated in the making of a clean, green, eco-friendly campus of the College. The Employees Association also gifted a gate to welcome the delegates of Annual Conference of AASU, Dibrugarh.

Mrs. Nomita Saikia

President AACEA, DHSK College Unit.
